

**Strong wind produced by 7 blades and a unique frame**

### Automatic off safety feature

If the fan is hit by something, the LED light will blink red and blue for 10 seconds before the fan stops automatically. You can feel at ease and use it without worrying.

### 3 fan speeds

3 fan speeds to cater to your preferences.

### Zipper bag for storage and increased portability

Vinyl-type zipper bag can be used to store the device and to carry it around. Attaching the neck strap to the ring on the zipper bag makes it easy to carry around.

### Maximum 3.5 hours of continuous usage.

1.2 to 3.5 hours of continuous usage in 1 full charge. Can be used with a portable power charger. \* Usage time depends on fan speed.

### Power button (designed to prevent accidental switch on/off)

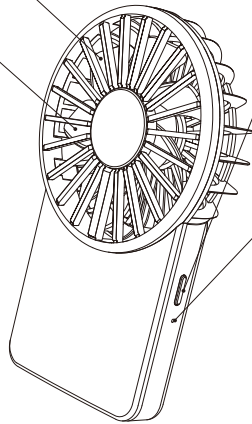

Press and hold the power button for 2 seconds to switch on. Prevents accidental switch on/off.

### Notification light for charging and remaining charge

When the battery level is low, the LED light will blink blue. When the battery is charging, the LED light will be red.

### Neck strap included

Attach the neck strap to the strap hole on the fan for easy usage outdoors.

## ♥ Safety features

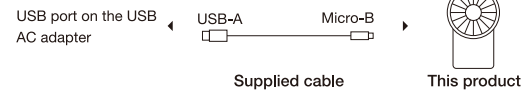

### Overcharging protection

To prevent battery lifespan degradation, charging will stop once the battery is fully charged.

### Overdischarge protection

To prevent battery performance degradation, battery discharge will stop according to the battery status.

## How to charge

\* To use this device while charging, please use an AC charger with at least 1.5A output.  
\* This device does not come with an AC charging adapter. Please purchase one separately.

Specifications	Power consumption	Lithium polymer rechargeable battery		
	Charging time	Approximately 2 hours		
	Continuous operating time	Approximately 1.2 to 3.5 hours (Time to full charge) * Depends on fan speed.		
	Dimensions	Approx. W 76 × D 22 × H 123 mm (Approx. W 3 × D 0.9 × H 4.9 in)	Weight	Approx. 71g (Approx. 0.16lb)
	Accessories	Neck strap ×1, microUSB cable for charging (approx. 30cm (approx. 1ft) * not including connector) ×1		

## ⚠ Usage Precautions

**About this device** ● Do not place this product in any of the following environments: - In a place exposed to direct sunlight, such as in a car under the sun - In a place that becomes hot, such as around a heater - In a damp place or a place where condensation may occur ● Do not drop the device, subject it to strong shock, stand on it, or place objects on it. ● Do not insert objects or your hand into the slits on the front and back cover. ● Do not use items that may be easily sucked in (e.g. ropes, strings, cloth) near the device. ● Do not remove, disassemble, or modify the internal batteries in any situation. Doing so can cause heating, fire, explosion, or electric shocks. ● Please keep out of reach of children. ● When you no longer need to use this product, please ensure that you dispose of it in accordance with the local ordinances and laws of your area.

**About the strap** ● Please observe the following carefully to avoid damaging or deforming the device: - When using the neck strap, refrain from swinging the device around or pulling hard on the strap. - Avoid using the strap to hang the device on you while running or performing other actions that may produce continual shock. ● Ensure that the parts of the strap do not entangle with the fan itself when keeping the device for example in your bag or pocket. This may cause damage. ● Please ensure that you do not pull the strap or let the strap/fan be pulled by other objects as this may lead to strangulation or suffocation. ● Please ensure that the strap is not caught by doors as this may cause injuries. ● Direct contact for long periods of time, or strong rubbing motions may cause staining.

## Limitation of Liability

- In no event will ELECOM Co., Ltd be liable for any lost profits or special, consequential, indirect, punitive damages arising out of the use of this product.
- ELECOM Co., Ltd will have no liability for any loss of data, damages, or any other problems that may occur to any devices connected to this product.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

In order to make improvements to this product, the design and specifications are subject to change without prior notice.
